

- Fabrics adhere so well to this adhesive sheet no matter it is set on table or hung on the wall or door.

Design Layout Sheet

- * This unique sheet allows fabric pieces adhere to the sheet for color arrangements before piecing.
- * Holds quilt blocks steady without pins, tapes or tacks, and can be removed easily from the sheet.
- * You can create great works even in a limited working space.
- * With it, quilting is easy and with much fun.

STEP1.

Lay the fabric pieces onto the Design Layout Sheet.

STEP2.

Put the Transfer Sheet over the Design Layout Sheet and fold it for storage or travelling.

Marking Transfer Sheet

- * To keep your design in place even folded for travelling.
- * Using Washout Marker(SW-110) to transfer the design onto the fabrics. Light box and tracing papers is no more needed.
- * Great tool for making applique and embroidery.

STEP1.

Place the Marking Transfer Sheet over the motif you want to copy.

STEP2.

Using a pencil to trace the motif onto the Sheet.

STEP3.

Move the Sheet over the fabric you want the motif to be transferred.

STEP4.

Retrace the outline until the motif is appeared on the fabric.
